

**District Site-Base Meeting Minutes
December 15, 2010
3:45 Training Center**

I. Introductions

Committee members were grouped into their sub-committees as listed below.

II. Review District Improvement Plan

Copies of the draft improvement plan were distributed to committee members.

III. Adjust Education Improvement Committees

New committee-members(see highlighted) for 2010-2011 were placed in sub-committees and others chose to work in a different sub-committee. (see highlighted) and strikethroughs.

IV. Committees review their goals, objectives and strategies for any needed corrections

Sub-committees reviewed the strengths/needs from their committee meetings and checked that the needs were addressed in the district improvement plan. Several notes were made and input for changes were made based on some recent sub-committee meetings.

Any recommendations for further revisions to the draft from the committee members must be made before the plan is presented at the school board meeting on December 20, 2010.

Next meeting- March 2011- Agenda items- Spring review of data, progress on action steps, additional needs
