

How to Look Up Your Student's STAAR Scores/Student's STAAR Report Card

Go to www.pisd.net and click on STAAR Testing on the left, then Parents...Student Portal or Go to www.texasassessment.com :

(1) Click on “Log in to Student Portal”

(2) You will need your child's unique access code found at the bottom of his/her Confidential Student Report (CSR)/STAAR Report Card. (This number can be found on any previous CSR you received from the school district.) You are also able to find this code by Clicking On “look up access code.”

(3) Enter your student's **first name**, PEIMS ID, and DOB. Click Go. (The PEIMS ID is usually your child's social security number or it may be a nine digit number used by the district beginning with “S”.) You may call your child's school to get the PEIMS ID.
